INFORMATION REQUESTED

In our revised set of Civil drawings there are pages missing out of the OS section.
Can we get a full set of Civil drawings that have all of the pages in the correct order.
The pages missing are: OS 8-13, OS 9-13, OS 10-13

RESPOND TO: Fax - 940.851.8900 Erin@accitexas.com

RESPONSE - OWNER/ARCHITECT

The engineer left them out because they are duplicates of the the detail sheets in the private set.
I am uploading the city stamped set to the ftp site for you. It has all the sheets. Sorry for the confusion.
